Regional Arrangements

The member customs administrations of the Americas and the Caribbean region have agreed to extend the appointment of the members representing us in the Policy Commission, and the Audit and Finance committees until December 2020.

Additionally, we inform that, on Thursday, June 4, 2020, the elections for the Regional Vice-Chair were held, in which the customs administrations of Guatemala and Uruguay ran, with the participation of 23 member countries. As a result, 20 votes went to the Guatemalan Customs Administration, 2 to the Uruguayan National Customs Directorate, and one of the member countries abstained. The Dominican Republic will deliver the Regional Vice-Chair at the end of June 2020.

Congratulations to Guatemala, wishing them the very best.
